

Handling a Form I-515A

If you receive a Form I-515A, “Notice to Student or Exchange Visitor,” it is very important that you send your response to SEVP within 30 days. If you do not, it will negatively affect your F-1/M-1 status in the United States and you may be required to depart the United States.

The U.S. Customs and Border Protection (CBP) officer just issued you a Form I-515A. Now what do you do?

The CBP officer who issues you a Form I-515A may tell you what documents, signatures, or information are missing or incomplete. The form is a checklist that describes exactly what is missing or incomplete, and tells you what you must do.

SEVP will process your documents and return them to a DSO at your school. If your submission is correct, SEVP will return your documents with a letter of approval and the Form I-94, “Arrival/Departure Record,” will have an extended departure date. Then you can get the documents from your DSO for you to keep safely.
