Recertification Application

Recertification Application

You are associated with a school that requires recertification. The PDSO of the main campus must submit a recertification application. If the application is not submitted by the expiration date the school will be Withdrawn without appeal rights. Your school's access to SEVIS will terminate at the end of the session following the withdrawal action.

If you have a pending update, please do not proceed with recertification until your update has been adjudicated.

By clicking "continue" on this screen, you will not be directed to the recertification page; rather, you will be directed to your Listing of Schools page
